What does “catechetical tradition” mean?

The Catechism of the Catholic Church says, “*The catechetical tradition also recalls that there are sins that cry to heaven*” (CCC1867). Then it lists certain sins from Scripture. What does “catechetical tradition” mean?

Sacred tradition is the revealed word of God as transmitted in Christian teachings and beliefs. It has always been a part of our Church, and while distinct from Scripture, the two “merge into a unity and tend toward the same end” (Dei Verbum, 9). A “catechism” is a collection of these truths that helps people to understand and live our faith. Jesus was the first teacher, and our tradition continues unbroken, from apostolic preaching to the Magisterium. Christian principles - for example, respect for life and human dignity - are unchanging but need to be interpreted for the day in which we live. This explains the need for various catechisms and diverse religious practices across nations and cultures.

The sins listed - murder, rape, oppression, and other human injustices - are all found in the Old Testament. When people are sinned against, they cry out. Think of parents mourning the death of their child who was killed by a drunk driver, or victims of human trafficking or torture. These sins reach heaven, and God assures them that their cry is heard. Of course, God acknowledges and cares about other sins, too. “(all) sin is an offense against God...Sin sets itself against God's love for us and turns our hearts away from it” (CCC 1850).
