Service Reflection

The goal of service is to assist you in preparing for the celebration, or "living out" of the Sacrament of Confirmation. Projects are not things you do to "get Confirmed", but an invitation to practice the Works of Mercy, and deepen your desire to be part of a faith-filled parish community. 25 hours of service are expected, at least 15 hours being Christian service is encouraged (ex. parish related service), and 10 hours of community service will be recognized. If you are unsure of the difference, please call Kara or Catherine.
