

## ST. GREGORY PREP DISTANCE LEARNING GRADE 1

### **Distance Learning has 2 main components:**

1. The first and most important component is to ATTEND MASS regularly.
2. The second component is to complete all online assignments.

### **Component 1 Requirements:**

Having a priest sign a form proving a student attended mass each week is not optimal, especially with COVID restrictions. However, it is crucial that the students attend mass (or watch a mass on TV) in order to learn about and practice our Catholic faith. To that end, students must submit a dated “journal entry”, each week about something special they learned, experienced or maybe even had a question about. For 1st graders, it may simply be an observation like, “The priest wore a long, white robe” or a question like, “ Why do we kneel down and stand up?”. Young students may choose to draw a picture of something they saw at mass instead of writing. These journal entries will be submitted via email to your child’s teacher. The teacher will email you Monday asking about mass, and they will provide feedback, a short response or note of encouragement. When you pick up your child’s book, you will be given a teacher name and email for the mass journal entries.

### **Component 2 Requirements:**

There are Interactive Reviews and Study Guides for each unit. The Study Guides show the main points for each session with page numbers of where all of the information can be found. Students will **submit the Interactive Session Reviews each week**. Please note that NO late assignments will be accepted.

All Interactive Session Review assignments will be submitted via email to your teacher. You must enter the **students FULL name and grade in the subject of the email**.  
For example: Jane Smith Grade 1a
