Dear Padre

How does one become a patron saint?

Patron saints are nominated by various groups and reconfirmed by the Holy See. The patron saint then becomes the heavenly protector of the individuals, institutions, or specialized activities that are placed under the saint's care. Those under the saint's patronage are encouraged to call for the saint's intercession and to follow the example of the saint's life.

The choosing of patrons dates back to the early centuries of the Church, when Christians were named after the apostles and martyrs and churches were named after angels. The popularity of patron saints grew in the Middle Ages, when every circumstance of life had a heavenly protector. Examples of this are St. Michael, as the patron invoked to protect bell towers against lightning strikes, and St. Maurice, the patron of sword smiths. In the age of exploration, whole cities and even new discovered countries were put under the protection of the saints (San Francisco is protected by St. Francis. Two Caribbean islands are named after saints, St. Lucia and St. Vincent.)

If you wish to see a searchable listing of all the patron saints, a good place to go is catholic.org/saints/patron/php. May your patron saint always watch over you and protect you!
