Dear Padre March 3, 2019

How much talking is acceptable while waiting for Mass to begin? The chatter gets noisier as more people arrive, and then everyone starts talking louder just to be heard.

Before Mass, "it is a praiseworthy practice for silence to be observed in the church, in the sacristy, in the vesting room, and in adjacent areas, so that all may dispose themselves to carry out the sacred celebration in a devout and fitting manner" (General Instruction of The Roman Missal, 45). For the liturgy to produce its full effects, "it is necessary that the faithful come to it with proper dispositions, that their minds...be attuned to their voices, and that they cooperate with divine grace lest they receive it in vain" (Constitution on the Sacred Liturgy {Sacrosanctum concilium}, 11). In this sense, we are silent together, for the Mass is not a private function but a celebration of the Church as the "sacrament of unity," a holy people united (SC 26).

Thus, from the point of entry in a church to the time of the gathering song, which is intended to foster unity (GIRM 47), how does your faith community gather for Mass? Some churches with self-contained vestibules are ideal for offering welcome to newcomers and for exchanging greetings. Other sacred spaces are less conducive for separating this informal ritual from a place of quietude. Nevertheless, every faith community, with varying success, creates an atmosphere before Mass where individuals come together as a worshipping body, and at the same time, where people may dispose themselves in a devout manner.
