MOTHER

Mother is the name for God on the lips and in the hearts of little children.

—William Makepeace Thackeray

Dear Padre
May 13, 2018

It says in the Gospel account of the ascension that Jesus was taken up body and soul into heaven. Why would Jesus need a body in heaven?

In the Old Testament, there was a great chasm between our bodies and heaven. We were told that no one could see the face of God and live, let alone live with God in heaven. Jesus came to bridge that gap through his body and blood.

Jesus' glorified body is in heaven to show that we, too, will be glorified like him, showing that, as part of God's creation, our bodies are inherently good and worthy of heavenly life. Jesus' ascension will be followed by our ascension into heaven. Our bodies will become like Jesus' glorified body. Our life with God will become like Jesus' life with God. We see in Jesus our own future. Our lives and our loves will not be snuffed out like a candle. Rather, we will carry them in our spiritual and glorified self, leaving behind pain, death, and human inadequacies.

Christianity is a flesh-and-blood religion. We can't bypass the physical to reach the spiritual. Jesus ascended into heaven, body and soul. We do not reach higher spiritual truths by rejecting the material world. Heaven won't contain disembodied spiritual beings, but will be full of glorified human bodies without the inadequacies we suffer now. Saint Paul, in 1 Corinthians 15:35-40, tries to explain this to the people of Corinth. He tells them that the splendor of the heavenly body is of one kind and the splendor of the earthly body is another.
