

A CHILDREN'S "I'M SORRY"

When we go to confession, we are telling God how sorry we are for the sins we may have committed. God is always listening, and whenever you are sorry you can talk to him. Here is an example of what you could say:

Dear God, I'm sorry.

Tell God what you are sorry for.

I wish I could go back and do it over again.

If you could do it over again, what would you do?

God, sometimes I get all mixed up. I don't mean to do bad things.

Tell God why it is so hard to be good all of the time.

God, I'm glad you really know me.

Listen to God in your heart.

I'm happy you love me.
I'm happy you always give me another chance.

Maybe God will give you a new idea.

Thank you, God. Bye-bye.

Ask God to help you. Then you and God spend a few minutes just loving each other.
